

May-July, 2017

Dear Pastor and Praying Friends,

So much has happened in the past few months. We send out an email update in between our printed prayer letters. If you are not on the email list and would like to be, please email us your request.

In May, Jeanette and I returned to the States to see my dear mother who was very ill. She passed away on May 25<sup>th</sup>. She is now joyfully with my dad in Heaven. While in the States I had a mole removed, which turned out to be melanoma. After returning to Taiwan I had the cancer successfully removed and other tests have shown that it had not spread anywhere else. Praise the Lord!

In July we participated in a combined youth camp with other churches. We had the largest group we have ever taken to camp. There were 23 of us who went. Several decisions for Christ were made and a few new teens are coming to church as a result. Last week was Vacation Bible School. It too was well attended with over 10 children praying to make professions of faith in Christ.

I will be going to teach in China this July 29-August 5<sup>th</sup>. Please pray for safety and that the Lord will use me there as I teach the Old Testament.

Praise the Lord for the good start on the new church building. The foundation is finished and work has begun on the first floor. Please continue to pray the work goes smoothly and for the remaining financial needs to finish the church.

We have been seeing God's blessings in the church recently. People are being saved and joining the church. Last month 4 were baptized. In August, so far 3 are planning to be baptized. The song, "I Stand Amazed" best describes how I feel when I see what God is doing and how He moves the hearts of His people to partner with us to do a work for God in Taiwan. Thank you for your partnership!

Until He comes,

Keith and Jeanette Cullers
