***Judie & I would like to HONOUR the HAYDEN'S, our dear friends & co-workers, on the occasion of their 60th Wedding Anniversary.***

Over the years, the Haydens were lay-leaders in two churches that support us, Open Door Baptist, Greensburg & Friendship Baptist, Raleigh. They prayed for us for years and then when Gene 'retired' they came to South Africa ministering at *Paardeberg Mt. Retreat* & in two church plants.

**We thank the Lord for them!**
